

**STATE OF UTAH**  
**OFFICE OF THE LIEUTENANT GOVERNOR**

As per Utah Code Annotated §20A-9-403, the Lieutenant Governor's Office certifies the numbers below as the signature requirements for Qualified Political Party candidates for the 2018 election cycle. As of October 30, 2017, each political party in Utah is classified as a Qualified Political Party.

Candidates may only collect signatures from voters who are eligible to vote in the party's primary election. Each political party determines who is eligible to vote in its primary election. Below is a table that lists the types of voters who can participate in each party's primary election:

<b>Party</b>	<b>Voters permitted to vote in party's primary</b>
Constitution Party	Voters affiliated with the Constitution Party
Democratic Party	All voters, regardless of affiliation
Green Party	Unaffiliated voters and voters affiliated with the Green Party
Independent American Party	Voters affiliated with the Independent American Party
Libertarian Party	Voters affiliated with the Libertarian Party
Republican Party	Voters affiliated with the Republican Party
United Utah Party	All voters, regardless of affiliation

Signature requirements for county offices are equal to 3% of all voters eligible to vote in the party's primary election. Not all county offices are up for election in 2018, but all offices are listed to account for potential vacancies. Check with your county clerk to determine if an office is up for election.

\*Although Grand and Morgan Counties hold non-partisan elections, the signature requirements below are provided in the event that counties elect to hold partisan county elections.
