Executive Director

August 9, 2017

Dear Lieutenant Governor,

Below is the Governor's Office of Management and Budget's fiscal estimate for "The Utah Medical Cannabis Act" initiative.

The Governor's Office of Management and Budget estimates the law proposed by this initiative would result in total fiscal expenses of \$2,900,000 (\$1,800,000 ongoing and \$1,100,000 one-time).

Fee collections would cover about \$1,400,000 of ongoing costs. General state revenues would be required for remaining ongoing costs (\$400,000) and all one-time costs (\$1,100,000).

Under the proposed sales tax exemption, the state and local governments may initially forego \$1,600,000 in sales tax revenue. Foregone revenue could increase over time if consumption and taxable sales increase in the later years following implementation.

Consumer and firm behavior different than assumed would alter these estimates.

In addition, the cost of posting information regarding the initiative in Utah's statewide newspapers and for printing the additional pages in the voter information packet is estimated at \$30,000 in one-time funds.

Should you have any questions, please contact Nate Talley at (801) 538-1556 or Duncan Evans at (801) 538-1592.

Sincerely,

Kristen Cox
Executive Director
