

Ballot Title for Proposition Number 4

Shall a law be enacted to:

- create a seven-member commission to recommend redistricting plans to the Legislature that divide the state into Congressional, legislative, and state school board districts;
- provide for appointments to that commission: one by the Governor, three by legislative majority party leaders, and three by legislative minority party leaders;
- provide qualifications for commission members, including limitations on their political activity;
- require the Legislature to enact or reject a commission-recommended plan; and
- establish requirements for redistricting plans and authorize lawsuits to block implementation of a redistricting plan enacted by the Legislature that fails to conform to those requirements?
