Gary R. Herbert
Lieutenant Governor

Qualifications:

As an educator and businessman I offer a unique insight to the major forces that affect state government. Founding and owning a produce company that has sales which exceed \$500,000 annually has given me experience in balancing budgets and ranking expenditure priorities. These business skills will be vital and give me a competitive advantage as I represent you in the Utah House

While working for Weber School District I was nominated for the First Class Teacher Award for my service in teaching entrepreneurial skills and student motivation in and out of the classroom. Working with students is my passion. I love to see students succeed. As an educator I have coached and advised many students and 12 of those students have competed or will compete on a national level in various science disciplines. My students have brought in more than \$32,000 in scholarship funds.
