Qualifications:

As a candidate for State Representative for the West Jordan & Midvale area, I am very passionate about representing the interests and values of the individuals and families in District 47. I am one of thousands of Utahans who want to be part of significant change in the state this year.

I have a BA in Liberal Arts and an MA in Management. I've worked for years in the ecommerce industry. Earlier I worked as Associate Producer of a birding television show. My husband Doug works at Primary Children's Hospital.

I'm running for this seat because I sat on the sidelines long enough. The Jordan School District split was a recent disaster, bus stops were removed throughout the area – and growth on the west side is unbridled. I asked myself: are we well represented in the Utah House? When the answer was a resounding NO, I decided to step up and do something about it. I appreciate your support to give us back our voice in West Jordan, Midvale, South Jordan, and Sandy. We need energetic, accessible leaders who serve the public -your- interests. I want to hear from you!
