Qualifications: I have served as Mayor of West Point for the past 6 1/2 years. I have also owned and operated three successful businesses in the past 28 yrs. I have served on the board of the Davis Chamber of Commerce and currently serve on several others. I have worked with the legislature to further the interests of small business by eliminating over regulation and government competition. I am very familiar with local government issues such as zoning, master plans, infrastructure and utility maintenance and planning.
