Qualifications:

I have had children in our schools for the past 22 years and know that when parents, teachers and administrators work together amazing things happen because together we accomplish much more than any of us could alone. Our children are our greatest asset and we need to ensure a quality education for each student.

I have been privileged to serve in many capacities at our schools. Because of my involvement in PTA, Trust Lands Committee, Community Council, Teacher Hiring Committee, Bond Election Committee and the What Counts Committee, whose purpose is to determine the educational priorities for our district that will best benefit our students, I have first-hand experience in seeing the strengths of our schools as well as areas that could be improved. These opportunities have enabled me to develop working relationships with teachers, administrators and staff at Gunnison

Elementary, Middle and High Schools as well as the district administrators and current school board members.

I am dedicated to quality education. As a board member, I would value input from everyone and strive to increase the opportunities our children have. When we work together we can accomplish the best in education for both our students and communities.
