

Name: Jon White

Office: Cache County Council

District: Paradise, Hyrum, Mendon, Wellsville

E-mail address: [Brookeranch@aol.com](mailto:Brookeranch@aol.com)

Website: <http://jonscampaign.blogspot.com>

Age: 59

Occupation: Farmer/Rancher

Residence: Paradise

Years at residence: 59

Qualifications:

My wife, Vickie and I live here in Paradise with our youngest daughter, Katie. Like myself, my wife is also a life long resident of Paradise. She is the daughter of Sharell and Marjean Summers. We both are graduates of USU. I received a degree in Civil Engineering, and she in Home Economics Education. We have four children; a son Brent married to Ashley Mott, a daughter Stacie, a daughter Nicole who is married to Jared Moultrie, and Katie. We also have two grandchildren.

Some of my experience:

- \* I have served as Mayor, Councilman, and on the Planning Commission of Paradise combined for over 25 years.
- \* I have been on the Blacksmith Fork Conservation District board for 10 years and am the current chairman.
- \* Also have been on the Farm Agency Cache County Board for 9 years and am current chairman.
- \* Member of the Logan Regional Hospital IHC Hospital Board.
- \* Have been a past Cache Cattleman P resident.
- \* Secretary of the Porcupine Reservoir Company.

Things of particular interest to me that the county is dealing with:

- 1-Protecting and keeping our precious water in the valley, for both growth and agriculture.
- 2-Protecting and keeping agriculture a part of our heritage, diversity, and beauty.
- 3-Establishing organized growth by encouraging growth within communities and cities where possible...as 71% of our growth is, we must provide for it somewhere.
- 4-Work on a road system which can facilitate traffic through and within the county.
